EXPERIENCE

Art Brand Studios, Remote — *Lead Shopify Developer*

October 2023 - present

- Launched Wild Wings and Thomas Kinkade Studios e-commerce outlets on GitHub.
- Built several Shopify pages, sections and snippets to enhance website functionality and user experience.
- Ran A/B tests using Trbo for data-driven decision-making and optimization.
- Configured Shopify apps such as Avatax, Pandectes, and Loox to streamline tax calculations, GDPR Compliance, and reviews.
- Adapted quickly to the fast-paced startup environment, solving problems and meeting tight deadlines.
- Set up DNS services for Klaviyo integration and launched a new corporate website on Duda platform to improve online accessibility and brand visibility.

Sandstone, Remote — *Web Developer*

April 2022 - August 2023

- Collaborated with clients like Google, Lulu and Georgia, and Kin Euphorics, enhancing product display pages and navigation menus.
- Accomplished tasks over two-week Agile sprints using Jira.
- Developed internal projects, such as a medical insurance claim web app and an internal marketing tool, utilizing CMS technologies (Contentful) and RESTful APIs.
- Utilized Shopify, Liquid, Ruby, Tailwind, HTML, CSS, React, JavaScript, Node.js, Next.js and Vercel to create robust and user-friendly web solutions.
- Became proficient in Shopify, Liquid, and Ruby while on the job.
- Built strong, collaborative relationships with designers, co-workers, and clients.

Dolthub, Santa Monica, CA — *Software Engineer Intern*

November 2021 - April 2022

- Implemented features using modern front-end frameworks such as React and Typescript, while also leveraging backend technologies like Bazel, Go, and GraphQL.
- Created a custom responsive carousel for the splash page using CSS3 and Tailwinds, enhancing user interaction.
- Collaborated with our graphic designer to implement pixel perfect front-end changes based on their UI designs using Figma.
- Increased test coverage by 15% with Cypress continuous integration and Jest unit tests. Was solely responsible for bumping Cypress dependencies at the beginning of every month.

EDUCATION

App Academy, Remote — *Web Application Development Certificate*

February 2021 - August 2021

Rigorous, +1000-hour software development program with <3% acceptance rate. Relevant coursework includes: Object Oriented Programming (OOP), Test Driven Development (TDD), Data Structures, Algorithms, Systems Design & Architecture, Coding Best Practices

Florida State University, Tallahassee, FL — *Bachelor of Arts, Theater*
